Ref. no. 181015/64/2025

Date: 01/04/2025

Grievance Redressal Committee

The following provides details for grievances and/or complaints and the actions undertaken. This will provide the Committee with a record of the types of complaints received (any trends), the effectiveness of resolution strategies and a record of what was done as a risk management measure. These records, together with copies of correspondence regarding the complaint, should be retained for at least 7 years.
